STIPULATED ORDER

A pre-trial order was entered by this Court on July 6, 2017. (see Dkt. No. 27). The parties have engaged a mediator in an attempt to resolve this matter through mediation. Accordingly, the parties respectfully request that the Court temporarily suspend and/or abate the deadlines in the pretrial order, in order to provide the parties with an opportunity to attempt to resolve their differences via mediation.

The parties propose that the Court enter an order requiring that they file status reports to the Court as follows:

1. Mediation is scheduled to occur on December 15, 2017. Within seven days of completion of the mediation process, the parties agree to file a joint report with the Court indicating whether the mediation has resulted in settlement and final resolution, negotiations are ongoing (and providing that the parties will file another report on the status of ongoing settlement negotiations

within 30 days), or the mediation did not result in settlement. If no settlement has been reached and settlement negotiations are not productive, the parties will either submit a proposed agreed amended pretrial order, or if the parties are not in agreement with respect to scheduling, the parties shall request that the Court set a status conference to establish a timeline for completion of discovery and setting dates for dispositive motions and trial.

IT IS SO ORDERED.
